

# CURRICULUM VITAE

Jean Pierre has worked in London, New York, and LA for clients such as Vodafone, Toyota, and Subway. He is a consummate design professional with 7+ years experience, keenly aware of when to push and when to pull.

## SELECTED PROJECTS

**TOYOTA** - Designed and developed a number of sites for toyota such as toyotaneverquit.com, toyotarates.com, and rav4washere.ca. The never quit site tracks the progress of the neverquit road crew throughout western Canada with event blogs, photo galleries, and "never quit" stories.

**UNIVERSITY OF OTTAWA** - Developed a flash site to spearhead their 2009 student recruitment campaign. The site incorporated cutting edge web technologies such as Facebook and shareThis.

**UNILEVER CANADA INC** - Programmed and optimized the front end of lipton.ca. The animated/video laughing pack character giggles and guides users to a wealth of information on various lipton soups and sidekicks.

**SIERRA CLUB OF CANADA** - Designed and developed an interface to display the national forestry report card. The seven flash charts synthesize thousands of indicators through out Canada to present a complete picture of the health of Canada's forests.

## SKILLS

- Rapid prototyping
- Strong conceptual design aptitudes
- Excellent communication skills
- Expert AS3, AS2, Papervision, Away3D
- Javascript, XML, PHP, HTML and CSS
- fairly decent comic timing (debatable)
